Global History of Modern Historiography. Georg G. Iggers and Q. Edward Wang It is no longer adequate to tell the story of the history of historical writing as if it were exclusively the creation of the west. This new book is an excellent contribution towards globalizing our understanding of the development of modern historical writing. Dr Daniel Woolf, University of Alberta

A Global History of Modern Historiography by Georg G Iggers

A Global History of Modern Historiography. Offering a history of modern historiography from a global perspective, this study traces the transformation of historical writings over the past two and half centuries, and describes the processes by which history went from being a form of rhetoric, to the scientific pursuit of knowledge we know today.

Project MUSE A Global History of Modern Historiography

This book deals with the transformations of historical writing in the world from the late eighteenth century until about 2007. Its main argument is that the history of historiography should no longer be studied with a focus on the West and on different nation-states but from a global and comparative perspective.

A Global History of Modern Historiography Georg G

This is the first book to offer a history of modern historiography from a global perspective. Tracing the transformation of historical writings over the past two and half centuries, the book portrays the transformation of historical writings under the effect of professionalization, which served as a model not only for Western but also for much of non-Western historical studies.
