African Americans and the Politics of Congressional

I believe that representation strikes at the core of democracy. The number of African Americans in the U.S. Congress is at 39. This is due, in large part, to the creation of 13 majority black districts prior to the 1992 elections.

African Americans and the Politics of Congressional

Part one examines the historical exclusion of blacks from the American political process and the politics behind congressional redistricting. The text focuses on partisan manoeuvring and assesses whose interests were being served. In particular, the book chronicles the legislative action (creation of majority black districts) in North Carolina and around the South. Part two shifts the focus
