American urban history is the study of cities of the United States. Local historians have always written about their own cities. Starting in the 1920s, and led by Arthur Schlesinger, Sr. at Harvard, professional historians began comparative analysis of what cities have in common, and started using theoretical models and scholarly biographies of specific cities.

A Short History of American Urban Exceptionalism

Postwar America enjoyed remarkable affluence yet these were the decades that produced the nation's great urban crisis. Everywhere the public commitments to downtown to rail and mass transit, to pedestrians and poorer residents were being reduced. Across the nation, coalitions of government and remaining downtown businesses fought back.
