Introduction to International Relations Theory and

The second edition of Introduction to International Relations: Theory and Practice is a superb textbook clear, precise, and comprehensive. Among its best features is a highly intelligible presentation of what is meant by theory, which is always a challenge in such courses. The book also is very current with important developments in international relations, such as cyberterrorism. Joyce

International Relations Principal Theories

A. Introduction 1 The study of international relations takes a wide range of theoretical approaches. Some emerge from within the discipline itself; others have been imported, in whole or in part, from disciplines such as economics or sociology. Indeed, few social scientific theories have not been applied to the study of relations amongst nations. Many theories of international relations are
