Teacher leader and teacher leadership A call for

Teacher leader and teacher leadership: A call for conceptual clarity Abstract Education systems cannot afford to lose promising teachers who could be the school leaders of tomorrow. My work shows a need to promote leadership as learning for teachers and students rather than as management and administration involving heavy workloads and disconnectedness from students and their learning

What to write in a teacher thank you card

As students, many teachers and educators will pass through our lives without remembrance. Yet, a special few will leave a lasting impression. Thank you for being one of the special educators who will live on forever in the minds and hearts of the students whose lives you have touched.
