Democracy in China was introduced in the late 19th century. The debate over its definition and application was one of the major ideological battlegrounds in Chinese politics for over a century. Modern Chinese leaders state that they run a "socialist democracy" where the Communist Party of China is a central authority that acts in the interest of the people. [1]

**Is China a democracy United Explanations Blogs China**

This is the key point in the discussion on China s democracy. What kind of democracy are we talking about? China s leaders do not think of democracy as people in the West generally. Our objectives of carrying out the socialist modernization drive are to catch up with the developed capitalist countries in terms of economy and to create a higher level of democracy with more substance than
