Best Practices in Experiential Learning Ryerson University

Best Practices in Experiential Learning To determine the best practices in experiential learning, it is necessary to first define experiential learning. In the words of Lewis and Williams (1994, p.5): In its simplest form, experiential learning means learning from experience or learning by doing. Experiential education first immerses learners in an experience and then encourages reflection

Why Using Experiential Learning With Adults Is Powerful

In a sense, experiential learning is simply learning by doing -- but there is more to the process. Not only do learners take action, but they reflect on, learn from, and take new action based on experience.

Kolb and Frye describe experiential learning as a four-part cycle:
