**Islam Predestination and Free Will Rebecca Bynum**

With Islam it is important to understand that opposites such as the concepts of predestination and free will do not negate one another: both are considered equally true. And so there is a need to identify the overall trend. Imagine a river: on the surface are swirling eddies and if one measured the direction of the water there, one would get opposite and conflicting directions even though

**Predestination vs Free Will Is It One or the Other**

One of the major controversies among Christians is the extent of predestination that God has ordained. At the extremes are those who claim that God uses only one to the exclusion of the other.

Either extreme is wrong, since the Bible clearly indicates that both predestination and free will are in

### **What does Islam say about free will and determinism**

Similarly, because God has granted man free will in his actions, it is also correct to relate the actions of man to his own choice. For instance, God states in the Quran that He is Sustainer of all that is in the earth (11:6) and at the same time holds man responsible for the sustenance of his family (2:233).
