Knowing Your Learning Target Educational Leadership

The single best way to share a learning target is to create a strong performance of understanding a learning experience that embodies the learning target. When students complete the actions that are part of a strong performance of understanding, they and their teachers will know that they have reached the target.

DeepL Translator

Tech giants Google, Microsoft and Facebook are all applying the lessons of machine learning to translation, but a small company called DeepL has outdone them all and raised the bar for the field. Its translation tool is just as quick as the outsized competition, but more accurate and nuanced than any we ve tried.
