### **Memory and Affect in Development 1993 Online Research**

In this case the relation between memory and affect was targeted for two reasons. The first concerned the a priori theoretical relation between these content areas. The second concerned the observation that memory and affect have historically been studied as separate content areas--an unfortunate decision considering the potential of each area to inform the other.

### **The Leaving by Tara Altebrando Paperback Barnes Noble**

The Leaving is a quick read despite being 421 pages. This is another POV jumper but keeps the suspenseful story going from page one. The plot line revolves around six children who were kidnapped without a trace on their first day of Kindergarten only to be returned 11 years later with little to no memory of where they have been.
