#### **New Subjects and New Governance in India Taylor**

This volume looks at the ways in which governance in the exercise of its strategies also acts as a process of production of subjects. It argues that governance is not a one-sided affair starting and ending with those who rule and govern, producing fiats, decrees, and diktats, but a productive process one that produces subjects of governance

India s experiment with post-colonial democracy is more than six decades old. So is her tryst with development . Both democracy and development are undergoing a supposed paradigm shift in the current era in different ways, the manifestations of which are marked by a number of challenges and dilemmas.
