The Origins of the Early Medieval State History Today

This is certainly the case with the early history of the states that formed in Europe after the fall of the Roman Empire. Ian Wood's recent book, The Modern Origins of the Early Middle Ages (2013), shows how the formation of the states that followed Rome was argued about for centuries, sometimes

fiercely, according to the national concerns of each generation of historians.

Medieval Origin and Definition of the Term ThoughtCo

Most modern scholars consider the medieval period to last from approximately the 5th century to the 15th century C.E. from the end of the Ancient period to the beginning of the Early Modern Age. Of course, the parameters of all three eras are fluid and depend on which historians you consult.
