### **Organizations and Working Time Standards Routledge com**

Collective bargaining between employers and trade unions has profoundly changed working conditions in companies around the globe. But why do we start work at the age of 10, 16, 18 or 24? Why do we work 6, 8, 10 or more hours a day? These questions are becoming increasingly pertinent as working norms

**Organizations and Working Time Standards Taylor Francis**

This book addresses the whole process of working time regulation over the last twenty years, evaluating the activities of trade unions, employers, and the State. While theories of industrial relations have already addressed the issue of markets in the context of collective bargaining, this book draws connections between time and markets, places these transitions in their historical contexts
