### **What Riot Punk Rock Politics Fascism and Rock Against**

The punk-rock movement or youth subculture of late seventies Britain was and is, even today, the cause of much controversy. It has often been accepted that the political orientation of the movement and its outcomes are decidedly located on the left wing, including, in particular, a strong anti-racist agenda.

### **Punk Rock and the Politics of Place Building a Better**

Rather than examining punk as a "sound" or a "style" as many previous works have done, it investigates the places that the subculture occupies and the cultural practices tied to those spaces. Since social groups need spaces of their own to practice their way of life, this work relates punk values and practices to the forms of their built environments.
