Course Descriptions Faculty of Liberal Arts

This course critically explores ideas of race and racist practice, both past and present. Through a range of readings and audio-visual materials, we will examine how race is produced and reproduced, as well as how racism is perpetuated and sustained, in multiple, shifting, and context-dependent ways.

The Inventor of a Water Powered Car That Died In A

We must remember that the human race cannot create from the same level of consciousness that created this system in the first place. A change for planet Earth coincides with the change of heart more people are experiencing everyday. The key to move forward and enter into a new paradigm is simple, it s love. With love, we d already have these technologies implemented Because of greed, hate
