Religion and International Relations A Primer for

on religion and international relations, whether they are scholars, students, practitioners, or general readers. The report s center of gravity lies in political science, with ten of its thirteen contributors hailing from this field, but also manifests disciplinary breadth. One contributor is a theologian, William T. Cavanaugh, who is one of the past decade s most innovative and

Religion in International Relations Theory Interactions

There is a growing realization among international relations scholars and practitioners that religion is a critical factor in global politics. The Iranian Revolution, the September 11 attacks, the ethno-religious conflicts such as the ones in the former Yugoslavia and Sri Lanka are among the many reasons for this increased focus on religion in international affairs. The rise of religious political parties across the world ranging from the Christian Democrats in Europe to Bharatiya Janata

The Turn to Religion in International Relations Theory

The return of religion to IR is both necessary and desirable and IR scholars must not ignore the debates on religion and international relations, even if this requires increased interdisciplinarity.

Situating Religion in International Relations Theory

The scholars of international relations are divided as to whether such integration is possible. In a recent book edited by Jack Snyder, prominent scholars of international relations discuss religion and international relations. Whereas Snyder is optimistic that such accommodation is possible, some other authors debate the possibility of such an

Religion and International Relations Theory From Absence

More than a decade after 9/11, it cannot be said anymore that religion is the black hole of international relations scholarship. In fact, one of the unexpected consequences of this tragic event has been to fix IR scholars sights more firmly on religion.
