Crisis Management and Communications Updated September

Crisis management can be divided into three phases: (1) pre-crisis, (2) crisis response, and (3) post-crisis. The pre-crisis phase is concerned with prevention and preparation. The crisis response phase is when management must actually respond to a crisis. The post-crisis phase looks for ways to better prepare for the next crisis and fulfills commitments made during the crisis phase including

The 10 Steps of Crisis Communications Bernstein Crisis

When I look at existing crisis management-related plans while conducting a vulnerability audit (the first step in crisis preparedness), what I often find is a failure to address the many communications issues related to crisis or disaster response. Experience demonstrates that organizational leadership often does not understand that in the absence of adequate internal and external communications:
