West Africa before the colonial era a history to 1850 in

This is a survey of the development and history of the societies and culture of West Africa until c.1850 when European imperialism put an end, temporarily, to the story. The narrative accounts of a number of the major empires of West Africa are set in their broad context, illuminated by the findings of cultural historians and anthropologists.

Colonisation of Africa Wikipedia

The history of external colonisation of Africa can be divided into two stages: Classical antiquity and European colonialism. In popular parlance, discussions of colonialism in Africa usually focus on the European conquests that resulted in the Scramble for Africa after the Berlin Conference in the 19th century.

What Africa had before colonisation This Is Africa

Pythagorus, Aristotle, Piccasso, were all beneficiaries of African innovation. Fractal geometry, the binary system, were used in Africa before the West got a conception of them. In fact, scholars thought they had reached the epitome of mathematical thought before they were introduced to fractal geometry in Africa.
